Jack Webb

Year of Call: 2016
Email Address: clerks.bristol@3pb.co.uk
Telephone: 0117 928 1520

Commercial

Jack has developed a broad commercial litigation practice, with particular expertise in complex contractual disputes, often involving cross-border issues, substantial claim values and intricate corporate structures

He is recognised for his expertise in contract law and has provided written expert opinions on English law for use in foreign proceedings.

His practice spans a wide range of sectors, including financial technology, manufacturing, energy, broadcasting, construction, agriculture and local government, giving him a strong commercial understanding of the industries in which his clients operate.

Recent and Ongoing Cases:

Recommendations

"The trial lasted three days and was a masterclass … To say Jack won is an understatement. The opposition were utterly demolished." - lay client

"Just to let you know that I have just spoken to [the client] and he has heaped lashings of praise upon you for your valiant effort and the excellent way in which you represented him at trial today. He has personally asked me to pass this message on to you." - instructing solicitors

"I must say that my colleagues, myself, and [the client] were very impressed with your advocacy. I look forward to instructing you again in the future." - instructing solicitors

"Jack obtained the order we needed and the client was very satisfied with the outcome. Great service all round!" - instructing solicitors

"Really impressed with the work he did here – not just the result – but he took it all in his stride – no panicking or complaints about the woeful standard of instruction! His post hearing report is also first class. I'd be happy to use Jack on future instructions and will pass this onto the wider team as well." - instructing solicitors

"He is approachable, helpful, and efficient." - instructing solicitors

"A pleasure to work with." - instructing solicitors

"May I just say what a superstar Jack Webb was today, thank you to all of you for putting him on the case." - lay client
