## Recommendations

"Totally on top of his brief, good manner with witnesses and jury, careful and not even vaguely prolix... a not guilty verdict against a lot of evidence, in part because he focused on just the right narrow issue." – **Circuit Judge**

"I was struck by his presence. He spoke well and confidently." – **Circuit Judge**

"Your expertise has not only led us to this successful result but has also provided a sense of support and confidence during the times when the situation seemed most daunting. Your ability to navigate through the complexities of this case has been nothing short of remarkable." – **Client**

Client: "Thank you for the fantastic job you did of standing up for me in court. I had never been in that situation or setting before and I'm sure it was obvious to you and everyone else that I was very nervous. I found you to be professional and I thought you brought the points of my case across very well, which I'm sure is what led to a great result." – **Client**
