Professional liability

Rob Dawson is developing a practice in professional liability claims, mainly relating to professionals involved in construction and engineering projects.

Examples of recent work include:

- Advising a property purchaser and drafting Particulars of Claim in a claim against a building surveyor arising from property defects that were not identified within a pre-purchase building survey
- Providing advice on the prospects of success and the diminution in value of a large manor house in a claim against a building surveyor resulting from major defects discovered following the completion of a pre-purchase building survey
- Drafted Particulars of Claim in relation to a professional negligence claim against a firm of solicitors arising out of the wrongful termination of a commercial lease
- Providing advice on the merits of a professional negligence claim against a veterinary practice arising out of the pre-purchase examination of a racehorse
