Coownership and Trusts of Land

Ashley regularly advises on and appears in Trusts of Land and Appointment of Trustees Act 1996 (TOLATA) claims. She acts for parties in mediation and alternative dispute resolution.

Recommendations

"It has been great to co work with Ashley on a very complex and contentious case. I cannot recommend her enough for her technical knowledge and skill. I was even more impressed with Ashley's attitude to the case and that she was just as passionate, as I am, in order to get the best result for my client. My client and I felt the case was safe in her hands and I will definitely be briefing her again in the near future."

Richard Port MBE, DGeorge Green LLP

"Thanks very much for the advice. Please pass on my thanks to counsel – prompt, straight to the point, clear and professionally done."

Oxfordshire Solicitor

"I do not have Ashley's contact details, but could you express my thanks to her? I did so after the court hearing, but she did so well and was so friendly beforehand when we discussed the relevant details that I would like again to express my appreciation of her work."

Client

"A quick message to say thank you again for your thorough preparation and representation today. Count on getting instructions again. I find you listen to explanations, take on board background information, and good to get along with."

Bruce Turner, Chapman & Chubb

"I really enjoyed working with you last week – you are clearly skilled in achieving that necessary balance between legal argument and pragmatism. I hope we'll have another opportunity before too long."
