- **D v K (High Court) [2022]** – Drafting particulars of claim on behalf of an American cable-television channel in an international contract dispute, worth USD \$2.3m.

Jack accepts instructions on the following:

- Consumer protection
- General breach of contract
- Misrepresentation
- Unjust enrichment
- Loss by unlawful means tort.

Recommendations

"Just to let you know that I have just spoken to [the client] and he has heaped lashings of praise upon you for your valiant effort and the excellent way in which you represented him at trial today. He has personally asked me to pass this message on to you." – instructing solicitors

"I must say that my colleagues, myself, and [the client] were very impressed with your advocacy. I look forward to instructing you again in the future." – instructing solicitors

"Jack obtained the order we needed and the client was very satisfied with the outcome. Great service all round!" – instructing solicitors

"Really impressed with the work he did here – not just the result – but he took it all in his stride – no panicking or complaints about the woeful standard of instruction! His post hearing report is also first class. I'd be happy to use Jack on future instructions and will pass this onto the wider team as well." – instructing solicitors

"He is approachable, helpful, and efficient." – instructing solicitors

"A pleasure to work with." – instructing solicitors

"May I just say what a superstar Jack Webb was today, thank you to all of you for putting him on the case." – lay client
