Clinical Negligence

David's interest in clinical negligence predates his career at the Bar, having had early work experience of cases involving neurosurgical expert evidence. His rapidly-developing clinical negligence practice encompasses written advice on pre-action conduct and settlement, breach of duty, causation and quantum; drafting pleadings, including High Court cases; and advising in conference. His recent experience includes cases of:

- Delayed diagnoses
- Negligent treatment
- Withdrawal of treatment
- Fatal Accident Act claims
