**Instructing solicitor**

*"I am a Solicitor and have so been since 1974-and once appeared in many criminal and civil cases. Just to say that Rebecca (whom I had never known of or met) was first class in her dealings with the Court witnesses and conducting the case. Hopefully she will go far"*

**Client**

*"I am writing to thank you for representing me yesterday. As you know following the mix up on my last court date I was quite anxious about yesterday's hearing. As soon as we met, you immediately put me at ease and it was clearly obvious that you had given a lot of time in familiarising yourself with my case. This proved to benefit us both. I was impressed by your professionalism and knowledge in the court room that led to a positive outcome. I have let [X firm] know how good you are and that they should be confident in you representing their clients in the future."*

**Client**
