Expertise

Construction and engineering

Tony Bingham is a practising barrister, arbitrator, adjudicator and mediator. He joined 3PB in 1991.

Litigation

His main practice is Building and Civil Engineering in the nature of the Technology & Construction Court.

Arbitration

Became a Fellow of Chartered Institute of Arbitration in 1981 up until 2021 and now has significant experience as a sole Arbitrator and as President of 3-member tribunals. His arbitral appointments outside of UK include Sweden, West Indies and East Africa. Most appointments are for Civil Engineering & Building disputes since Tony Bingham is dual qualified being a Chartered Surveyor, Chartered Builder and practising Barrister.

Adjudication

Tony Bingham has been appointed to well over 100 Adjudication disputes. He is a member of the following nomination panels:

- Royal Institution of Chartered Surveyors
- Chartered Institute of Building
- Institution of Chemical Engineers
- TeCSA
- Construction Industry Council
- Adjudication.co.uk

He will accept appointments as adjudicator as a Member of a Dispute Resolution Board.

Mediation

In recent years this dispute management system has become another important part of Tony Bingham's practice.

Publications

Weekly legal columnist in 'Building' since 1987.
