Legal 500 2021/Child Law (Public and Private)/Leading Juniors/Western Circuit

"C was impressed by the measured way in which you represented WBC at the hearing, was well versed with your brief and that you took time to listen and communicate with Mr W during discussions which was very important for him. I appreciate all your hard work as it was not straightforward from a procedural point of view due to the way events unfolded following Mr W's application." **Senior Adult Social Care Solicitor, Local Authority**

"I had complete confidence in Emma and her handling of a difficult case. Her approach was empathetic and her advice and guidance clear and pragmatic to the client. Her negotiations with the other side were managed with gentle tenacity which resulted in a positive outcome." **Instructing solicitor**

"I am writing to express my sincere gratitude and appreciation for your hard work, dedication, and professionalism in winning my court case. Your emotional support and unwavering commitment to my case has changed my world, and I cannot thank you enough. Your expertise and knowledge of the law were truly exceptional, and your ability to navigate the complex legal system was nothing short of remarkable. Your calm and reassuring demeanour throughout the entire process helped to ease my nerves and gave me the confidence to face the courtroom with courage. I am forever grateful for your support and assistance, and I will always remember the positive impact you have had on my life." **Direct Access Client, 2023**

"Emma is very personable and highly skilled in her area of practice. She has an acutely keen eye for detail, is always well prepared, her written work is of exceptional quality and she has a sound knowledge of the law. Emma has tremendous client care skills, and is a real pleasure to work with whilst always fighting hard for her clients. She works incredibly well with both instructing solicitors and opposing advocates, and is highly regarded by all concerned. She is the whole package." **Instructing solicitor**
