Regional Bar > Western Circuit > Professional negligence – Tier 2

3PB is widely praised as a 'solid set of chambers for professional negligence work'. **Richard Whitehouse's** varied practice sees him handle claims against solicitors, barristers, surveyors, architects, accountants, and brokers. **Christopher Edwards** has considerable experience in professional indemnity matters, specifically in relation to solicitors, surveyors, and architects.

Testimonials

'The 3PB clerks are always exceptionally helpful and readily available. In the civil team, the formidable David Fielder leads the team and delivers an excellent service for clients, and is supported by the particularly capable Joe Townsend - who delivers an exceptional service.'

'Mark Heath is very much on the ball. His responsiveness is off the scale. He is one of the best clerks in the industry.'

'3PB is a strong multi-disciplinary chambers with excellent bench strength and a robust reputation across the many facets of its practice.'

'3PB has great strength in depth across a range of disciplines and is always very supportive indeed.'

'3PB is a solid set of chambers for professional negligence work.'
