

Personal Injury and Clinical Negligence Barristers

Following 3PB's raft of recent appointments to several large personal injury and clinical negligence panels across the UK, 3PB's well-known personal injury and clinical negligence groups are recruiting for new practitioners - of all levels of seniority – to join any of our six offices: Birmingham, Bournemouth, Bristol, London, Oxford or Winchester.

Applications from PI and clinical negligence teams or small groups with a mix of experience led by a senior member are also welcome.

You will receive an exceptional clerking and support service and a highly competitive charging structure as well as the opportunity to develop a nationwide personal injury practice within 3PB's friendly and supportive environment.
