

A Place to
Grow Your Career

Employment Barristers

Due to continued strong growth, the UK's fourth largest Chambers is seeking to recruit barristers with established practices, as well as juniors to its 26-strong employment team.

With centres in London, Bristol, Birmingham, Bournemouth, Winchester and Oxford, we seek ambitious barristers to help build a national practice. Work with us and combine the lifestyle benefits of working from your location of choice.

You will receive an exceptional clerking and support service with a highly competitive charging structure and a friendly and supportive environment.
