Personal Injury Team

The UK's fourth largest Chambers is recruiting for its London and Oxford Offices.

3PB is expanding its 38-strong personal injury team due to an increased volume of work following the development of work arrangements with a number of large insurers.

There are positions both for junior personal injury barristers and for third six pupillages. The successful applicants will undertake a diverse variety of lower end personal injury claims and have an excellent opportunity for career development within the personal injury team and in our related practice in the specialist clinical negligence group.

You will receive an exceptional clerking and support service as well as the opportunity to develop a nationwide practice within 3PB's friendly and supportive environment.
